**CONFIRMATION OF GOV. WRIGHT.**—The appointment of Hon. Joseph A. Wright as Minister to Berlin has been confirmed by the Senate. This will prove gratifying intelligence to the sincere friends of Governor Wright in Indiana and elsewhere.

The Black Republicans and a few disaffected Democrats hoped for the return of Governor Wright, thinking that, in such an event, he would lend his influence and efforts to create a division in the Democratic organization, and to punish the Administration. To these pretended sympathizers of Governor Wright the news of his confirmation will be anything but palatable. It is a consummation they did not desire.—Sentinel.

WASHINGTON, June 25.

The war cloud was dispersed yesterday. A supplemental and conformal meeting of the Cabinet was held, at which dispatches from Mr. Dallas and Lord Malmesbury, through Lord Napier, were read, apologizing for the late outrages, and offering indemnity. The British Government for the present ignores the claim to the right of search or visitation, but intimates that any injuries proved to have been already suffered by the practice will be redressed. Negotiations will doubtless follow, resulting in money indemnity to American vessels, and some provision punishing the illicit assumption of the American flag.

Lieutenant Mowry has been designated by the Secretary of the Interior as the Acting Superintendent of Indian Affairs for Arizona, with important instructions for regulating and pacifying the Indian tribes.

CHICAGO, June 25.

Reports from Dakota Territory state that the Yankeeton Indians, three thousand in number, are committing depredations on the white settlers along Minnesota river, because of the dissatisfaction arising from the nonpayment of annuities now due by the Government. They therefore intend to recover the lands and drive the whites away. They have destroyed villages and emigrant trains. Medary and the plundered settlers are concentrating at the Minnesota Falls preparatory to defensive operations.

WASHINGTON, July 1st.

Despatches were received to-day at the Mexican legation, but they are silent on the subject of the American Minister demanding and receiving his passports. Such a report was however current at the capital. Our government has also received advice, but their contents have not yet transpired.

The civil proceedings were continued against the foreigners who refused to pay contributions on their property, and those who resisted the Federal authorities, were ordered to leave the capital. Several Russian and German residents, together with Americans, had sought protection from Minister Forsythe.

## JASPER PRICES CURRENT.

MORE TO BE ADMIRER THAN THE RICHEST DIADDEM

EVER Worn by Kings or Emperors

WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament God Himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveld, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated pianist, Thalberg:

New York, April 19, 1858.

Dr. Wood—Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,

S. THALBERG.

"Drych a' Gwybodaet."

Welsh Newspaper office, 13, Nassau st., April 12, 1858.

Dr. O. J. Wood—Dear Sir—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. CHARLES CARVER.

New York, July 25, 1857.

Dr. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely. J. G. KILBY.

Dr. Wood—Two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black). Now it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all.

J. D. HOES.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3.
